Kids will experience twice the FUN and versatility with the new Twin Turbo Fortress. This premium ready-to-assemble playset features TWO 10' wave slides that be positioned side by side or on opposite sides of the fort for hours of sliding fun! In addition to double slides, The Twin Turbo Fortress includes exciting play activities like the huge 5' x 6' fort and 3-position swing beam. Featuring 100% USA wood components from certified renewable forest – better for your kids and better for the environment. Premium Southern Yellow Pine wood has been preserved to resist termites and decay and features a limited lifetime warranty. The Twin Turbo Fortress is a fun, safe and easy-to-assemble playset that's built to last!

This product has been designed and tested for residential use only and is recommended for children ages 3-11.

Requires a 6' unobstructed safety perimeter around entire set.

This playset can be configured in two layout options, either with side-by-side slides or opposite-facing slides:

[Click Here](#) for footprint of playset configured with side-by-side slides.

[Click Here](#) for footprint of playset configured with opposite-facing slides.

Packed with FUN play activities:

- This "full size" playset features a Huge 5' x 6' activity fort with easy-access step-ladder
- Split heavy-duty vinyl canopy provides plenty of shade and ventilation. The rich, dark green canopy features warm tan racing stripes to compliment any backyard
- Two 10' long wave slides can be positioned side by side or on opposite sides of the fort
- 36" wide rock wall with scaling rope
- 2 adjustable belt swings with pinch-free plastic-coated chains for safety
- Trapeze/gymnastic ring
- Steering wheel
- Deluxe telescope
- Large 30 sq. ft. sandbox with seating

Other Features:

- Premium materials and components
- Southern yellow pine construction is 2 times stronger than cedar
- All wood components manufactured in the U.S.A. from certified renewable forest
- Safe, environmentally friendly Prowood® Micro preservative provides superior protection against termites and rot/decay and features a limited lifetime warranty.
- Wood components feature Micro Shades™, the next generation of wood stain, offering better color penetration, greater fade resistance and less maintenance
- Woodguard™ plastic coated posts eliminates twisting, warping and maintenance.
- Heavy-Duty hardware features superior rust resistant coating

Your children's safety is our #1 priority!

All Yardline Play Systems are designed and independently tested to meet or exceed all applicable ASTM residential playset safety standards

- Overall Dimensions:
21'5" W x 15'6" deep x 11' H

Product Reviews

Rating: ★★★★★

Great Value

Coopie03

Location: Westchester, NY

Date: May 27, 2011

Pros: side by side slides

Cons: swings seem a bit close together

"I got this when it was on sale and although I really wanted a set with a wooden club house and picnic table-this was a great value. Very nice set-the twin slides are awesome. The company that handles installation was very professional and the guy was super nice. My daughter loves playing on it."
